DON'T RUN AFTER LIFE, WALK BEFORE LIFE!

Spring | Summer 2019

From elegant street sneakers to exquisite flat sandals, in these eco-friendly shoes you will be floating on a cloud from the daily urban rush to the dreamy last dance. Let's dance the last dance, let's be creative and celebrate life with Cloud Footwear. Don't run after life, walk before life!

Cloud Footwear presents a collection inspired by senses – a voyage to the basic, the simple things that trigger happiness. In a return to handmade touch, irregular tint surfaces and to stitches that draw a route, the comfort is still the main characteristic of the collection through small details that make all the difference: the extra light soles, the new footbed and the soft leathers.
