Kick off the new decade and walk on clouds all day long!

Spring | Summer 2020

For Spring Summer 2020 Cloud Footwear continues along its path, exploring young urban culture through the choice of a constant dichotomy between the liberated and the classic, the conventional and the extraordinary. Furthermore, the inherent duality of the collection is expounded through a stylistic reinterpretation process aimed at stripping the brand down to its essentials: quality comfortable footwear and minimalist aesthetics converge with clean-cut lines and sophisticated detailing, while the shapes and vintage revival inspirations are highlighted by unique and playful finishing touches in pastel neutral tones, boho floral and dusty abstract in edgy colors.

Cloud Footwear kicks off the new decade embodying an optimistic mood where classic meets the futuristic technology. Step into the new decade and walk on clouds all day long!
